

Start properly.

Your first box is designed
to make day one clear,
calm, and traceable.

PEPTides

Before using anything in this box,
check the product name, batch/lot,
expiry date, and sealed packaging.

Scan your QR code or follow the
customer-specific instructions supplied
through the licensed wholesaler's
approved process.

Do not change dose, frequency, route,
or combination without approval from
the appropriate licensed professional.
